Local community groups get cash boost from Hetton Town Council

Community groups in Hetton le Hole and district have benefitted from grant awards of up to £500.00 each.

A junior football club, local history society, railway heritage group, youth band and a community group are among a range of organisations to have recently been awarded cash to help with their activities.

Chris Hughes, Chairman of Hetton Juniors Football Club said "The grant money will fund start-up kits for new teams - just in time for the resumption of grassroots sport after Covid lockdown. The Town Council's help with this is much appreciated".

Cllr Kathleen Pearson, Mayor of Hetton Town Council commented "The Town Council set aside funds each year to assist eligible groups who need financial help and can show how their work will benefit the local community. The Town Council is delighted to have been able to support these groups."

Groups interested in the Community Grant Award Scheme can find more details on the Hetton Town Council website or by contacting Graeme Keedy, Town Clerk on 0191 561 6600.
